WINCHESTER IS FOR WEDDINGS

Welcome to the wedding capital of Virginia! Winchester has proudly held this designation since the early 1940's thanks to the thousands of couples who exchange vows here annually. Winchester's quaint historic downtown is the perfect place to make your wedding a memorable occasion, let us tell you how...

Lover's Guide to Getting Married in Old Town Winchester

Find that perfect someone who just makes your heart go thumpity-thump-thump every time they are near. We really can't help with this – but we trust you will know when it's right.

Hint to that perfect someone that the time is now. A formal proposal is not always required – sometimes it just takes a little suggestion when the time is right...like in a public restaurant while everyone else is watching and he/she can't say no!

Select the rings that are just right. Jewelers in Old Town can help you find rings to fit your style and budget....gold to silver, precious stones to reproductions, estate antiques, traditional and custom design.

Obtain your marriage license. We make it unbelievably easy here in Winchester. Both applicants need to appear in person at the Winchester Circuit Clerks office (5 North Kent Street, Monday-Friday 9am to 5pm), furnish information needed under oath and pay a \$30.00 fee in cash. There is no blood test or waiting period required. Details can be found at www.winfredclerk.com/marriage1.htm.

Create your dream ceremony, from a quick no-frills civil ceremony to awe-inspiring romance. Marriage Officiants, appointed by Winchester's Circuit Court, are eligible to perform civil weddings and can help create your perfect wedding event. Couples are free to write their own vows and plan according to their own beliefs and traditions. Find a local Marriage Officiant at www.winfredclerk.com/marrlist.htm.

Exchange vows at a favorite place in Old Town Winchester that is close to your heart. Many places in Old Town Winchester have stories to tell – what is yours? Is it where you met, where you knew you were in love, where you proposed or some place new where you will create your wedding memories?
